

## SUN BEAMS

By WALTER M. BARRETT

It has occurred to us that a worthwhile project for the local amateur gardeners is the beautifying of the grounds around the new grammar school. The building is attractive and calls for a harmonizing landscape. This could be accomplished by the lovers of trees and flowers who make gardening a hobby. The plans for placing shrubbery, trees, flowers and grass suitable for this climate could also be drawn by a group of clever persons and by so doing they would accomplish a civic duty, give the children, who naturally color, a brighter environment and at the same time they would gain satisfaction from indulging in their favorite pursuit.

We have been asked a score or more of times since the election: "What have you republicans got to say now?" All we can answer is what would have happened if the republicans had not voted democratically. It all just goes to show that politics have little to do in determining the outcome of elections. More and more people are breaking away from the old rule of sticking to the party and are looking at the candidate and his qualifications, rather than to which party he belongs.

Now that Mr. Bianchi has left for the winter we can talk about him (we understand that talking is usually done that way). In the short time we have known him we have found him to be a good neighbor to those with whom he came in contact. He always appeared cheerful and never in too much of a hurry to greet a friend. We'll be glad to see him return with the robins in the spring.

### EARLY HISTORY OF TRUCKEE WILL BE READ TO KNIGHTS

The history of Truckee in the good old days prior to 1880 will be read by J. B. Clark of Hobart Mills before a meeting of the Truckee Knights of Pythias lodge here Friday evening at the Odd Fellows hall. The history, relating interesting and little known facts about the district, was edited and published in 1880. All members are urged to attend as the program promises to be unusually interesting. Master of Work Karl Weeks is the program chairman and Chancellor Commander B. C. Canonic will be in charge of the business meeting.

### EASTERN STAR HERE NAMES OFFICERS

Elective officers were chosen for the ensuing year at the meeting of the Truckee Chapter, Order of Eastern Star, held Tuesday evening.

The following officers will be installed on December 1: Vernie Wood, Worthy Matron; J. M. Percy, Worthy Patron; H. I. Snider, Associate Patron; Winifred Trexler, Conductress; Anna Zorich, Associate Conductress; Jennie Watkins, Secretary; Elizabeth McKay, Treasurer. Jennie Canady is the retiring Worthy Matron.

### Marjorie Parr Feted At Hallowe'en Party

Mrs. Lyla Parr entertained for her daughter, Marjorie, at a Hallowe'en party on Saturday night.

"Alice the Gooch Girl" met the guests as they entered leading them to the witch's cavern, which was properly decorated with black cats, owls, and Jack o' lanterns lending a weird atmosphere to the occasion.

Characters from the funny papers came to life when the invited group attended in costume. They enjoyed the traditional games and were awarded prizes during the competition. Delicious refreshments, which carried out the chosen idea, were served at the closing hour of the party.

The guests invited to share the evening with Marjorie were Barbara Seabridge, Jean Seabridge, Jeanette Humes, Rosalie Anderson, Sara Anderson, Marjorie McAdams, Billy McAdams, James Thomas, James Lehman, Billy Marts and Hary Digesti.

### Ticket Sales Indicate Dance Will be Success

Advance ticket sales indicate the American Legion dance in celebration of Armistice Day, scheduled for Saturday, November 14, will be an outstanding success. Frank Kinne, chairman of the committee in charge of the affair, will be held at the Masonic hall.

Truckee, Nevada County, California, Thursday, November 5, 1936

Established 1869

## SMITH REPORTS VISIT TO SOUTH WAS PROFITABLE

First Proposed Production to Be Taken at Big Bear Or Cancelled

OTHERS COMING HERE

Bulletins Will be Prepared For Directors Seeking Snow Scenes

Gratifying results from his visit to Hollywood and Los Angeles in the interests of the Truckee Motion Picture association were reported by Dan Smith, southern California representative of the local group at a meeting of the board of directors Monday night.

While he received no direct assurances that the companies would use Truckee scenery more this winter than in the past, Smith said he had contacted all the major producers and that they had promised to give this area all possible consideration when the time arrived for the making of snow pictures and winter scenes. He also pointed out the advantages obtainable here during the summer as well as the winter months.

The results of the work done is reflected in the many letters of inquiry received during the past few days relative to local conditions. Paramount, through Location Director Fred Harris, has asked an immediate reply to an air-mail letter regarding ice skating and sleighing facilities, indicating an early interest in local surrounding for the coming season.

Several other of the bigger companies, including Warner Brothers, and Fox Twentieth Century, are planning local shots, Smith reported, although no definite times were indicated.

One disappointment was recorded in the report when Smith announced that the proposed filming of parts of "Fifty Roads to Town", a Fox production, in the Truckee district, had been called off and that the pictures would be taken at Big Bear which is more accessible to the studios, or cancelled indefinitely. It makes the shots on Squaw Creek on the road to Lake Tahoe.

Smith said that he was given a good reception in the south and that all the producers and location directors said they would use Truckee scenes whenever possible. He said that during his visit he heard many favorable comments about the late William Maynard, whose untiring efforts first brought the attention of Hollywood to the favorable conditions being offered here.

The directors voted to prepare and submit weekly bulletins to all the major producers, giving local weather conditions, depth of snow, available accommodations and any other information desired in the selection of locations.

### NEW PONTIAC NOW BEING DISPLAYED AT LOCAL GARAGE

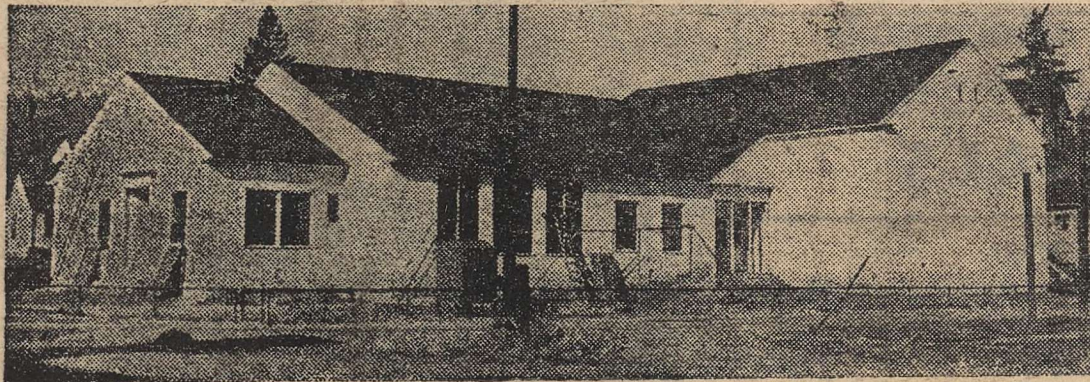

Making its debut in Truckee, the new Pontiac for 1937, in both six and eight cylinder models, is now available for demonstration at the McIver's Garage.

James McIver, Jr., in announcing the acceptance of the Pontiac franchise for this territory, declared he had been completely "sold" on the new machine and that buyers will find in the Pontiac all they can desire in fine motor car production and will find the price range most agreeable. McIver is introducing the Pontiac in the Truckee field for the first time and invites everyone to call for a demonstration.

### Eye Injured—

Julius Lichtenberger received a painful injury to one of his eyes last week when a splinter of hot steel entered the optic while he was working. Medical attention was necessary to relieve the injured eye.

## Truckee's New Grammar School

Symbolic of the industrial and civic progress of Truckee, the new \$36,000 grammar school on Church street, was opened for use this week. The new structure was made possible through a government loan and grant, augmented by a local bond issue. It replaces one which was condemned several months ago as being unfit for school purposes.

## Bids Are Asked For Highway On Donner Summit

Parking Area Also Planned Under Contract By Department

Work was started this week on construction of an estimated \$20,000 detour on the highway between half a mile west of Soda Springs and Donner Summit, to permit the passage of traffic while a new highway is being built for a distance of three and a half miles.

Bids for the construction of the new highway, which will be of Portland cement concrete, will be opened by the state division of highways in Sacramento November 18.

The contract also includes a new parking space near the Donner bridge to permit tourists and other motorists to stop and view the beautiful scenery surrounding Donner Lake and Truckee.

The estimated cost of the new projects was not immediately learned here.

## TRUCKEE MEN HAVE ELECTION BIRTHDAYS

Walter Loynd and Edward Pitts, whose birthdays occur on November 3, election day, were honored by their wives at the Pitts home on Tuesday evening.

Turkey was the piece de resistance of the delicious dinner served by the hostesses. Those invited to share the dual event with the guests of honor were Mr. and Mrs. R. C. Gregory, Mr. and Mrs. Didsbury of Emerald Bay, Mr. and Mrs. George Pace and Mr. J. Bick.

## PROMINENT HOBART RESIDENT EXPIRES AFTER LONG ILLNESS

Charles Keyser, 70, died at the Hobart hospital at 7:10 o'clock on Wednesday morning.

Mr. Keyser was a well known resident of Hobart, having gone there to reside in 1920. Before that time he had been employed by the Sierra Nevada Wood and Lumber Company and located on their Lake Tahoe holdings. He at one time lived in Carson City, and was one of the best known teamsters of the Divide area.

In later years Mr. Keyser took up railroading and up until his illness forced him to retire he was yardmaster of the Hobart Railroad Co.

His wife died several years ago and he is survived by his sister, Mrs. G. D. Oliver.

Gravestone rites will be held in Carson City this afternoon at 2 o'clock. The Latta Funeral Home of Truckee is in charge of arrangements.

## RENO MOTORIST PAYS FINE HERE

J. A. McNought, a Reno salesman, paid a \$25 fine when he appeared before Justice of the Peace C. E. Smith this week on a charge of reckless driving. He was arrested by Traffic Patrolmen Kitts and McKeen near here Sunday.

### Here for Election Day—

Mr. and Mrs. Martin Johnson of Kingdale were here on election day.

## TRAFFIC SQUAD'S RADIO SERVICE TO BE IN USE SOON

Short Wave Hookup Ready For Installation in Patrol Cars

Wise criminals will soon be giving the Nevada county highway a wide berth, if the plans of the local squad of the state highway patrol materialize and the proposed short-wave radio sets are installed in all the patrol cars. The central station, KAPL, at Grass Valley has been completed and found satisfactory and all that remains to give the officers a constant and direct hookup with headquarters is installation of the car sets.

Captain Joe Blake of the Nevada county squad is responsible for the new station, while its installation was under the direction of George Moynahan, Jr., technician, now associated with the state department of registration at Sacramento.

All the officers of the squad, including Patrolmen McKeen and Kitts, who put up the aerial, worked to make the new service possible and has been rewarded to some extent by the many compliments from the state and county officials.

It was pointed out that the present teletype system is sufficient where the officers are centrally located, but that when they are patrolling the highways, they have no way of keeping in close communication with headquarters. This problem will be solved with the radio service and if the public, in reporting an accident or crime will call the Grass Valley station, the short wave will have a message to the officer nearest the scene within a few seconds.

Among the state officials who have commented favorably upon the project was Ray Ingals, director of the state motor vehicle department.

## NAOMI LODGE WILL FETE ANNIVERSARY

Naomi Lodge No. 2, the Truckee chapter of the Rebekah lodge, the second oldest chapter in the state, is preparing to celebrate its 66th anniversary on Wednesday, November 11.

A large birthday cake, topped by the proper number of candles will be a feature of the supper table and will be cut by Mrs. Lotta Bryant who has been a member of the local lodge longer than any of the other members to be present.

The Rebekahs as well as the Odd Fellows, who are to be the supper hosts, will have their husbands and wives as guests. Visitors from Fallon, Reno and Nevada City are also expected to attend the event.

The evening will be well rounded with clever entertainment proceeding the card playing and supper.

## Patrolmen Attend Peace Officers Meet

Highway Patrolmen Charles McKeen and Kitts were in attendance at the Peace Officers association meeting in Auburn last Thursday. Speakers included Sheriff Elmer Gum and Captains Brewster of El Dorado, Joe Blake of Nevada and Charles La Porte of Placer.

## Officers Will Address P.T.A. November 6

Subjects are Announced for Talks by District Officials

The meeting of the Parent Teachers association at which three district officers from Sacramento are scheduled to speak, on Friday evening, will be held in the Meadow Lake Union high school instead of the new grammar school as previously announced.

The meeting which will convene at 7:30 o'clock, promises to be an interesting one as Mrs. George McCormack, district president, has chosen as her speech subject "Opportunities and Obligations of Parents". Mrs. A. W. Ingram will discuss "Programs and Magazines" and Mrs. G. W. Fitzgerald announced her theme will be "Character Education".

With Principal R. P. Nelson, Miss Charlotte Pfeuffer and Miss Norma Reichelt will be given a reception of welcome as instructors at the new grammar school.

A musical program, with Mrs. Lotta Bryant and Miss Reichelt as leaders, is planned to add to the enjoyment of the affair.

Mrs. R. A. Tonini has been chosen as chairman of the committee to serve refreshments at the close of the session.

Mrs. Scott E. Gordon, as president of the local unit, will preside and the organization is looking forward to a large attendance of members and other interested citizens.

## McIVER DAIRY COWS PASS T. B. TESTS

The 52 cattle owned by Mrs. James McIver, Sr., at the McIver Dairy here have passed the United States Department of Agriculture tests for tuberculosis without a reactor in the herd, according to a report from the department. Two tests were conducted and both showed the cattle to be in perfect condition, a record for a dairy of this size.

## MANAGEMENT OF MARKET CHANGES

Mr. and Mrs. W. E. Ashton are again greeting their friends here after having been in Nevada for several months. They are now living in the Moore house near Riverside Hotel. Ashton has resumed the management of the Truckee Meat Market. Both expressed themselves as being well pleased to be back home.

## Ford Dealer Leaves For Detroit Meeting

John Thornton, local Ford dealer, left Tuesday for Detroit, Michigan, where all dealers were invited to see the 1937 model Fords at the factory. New models will be announced about November 14, Thornton has been advised. The local man expects to return in ten days.

### Confined to Home—

Benjamin Tonini is expected to be up and about very soon following an attack of rheumatism which has kept him confined to his bed for several days.

## TRUCKEE

The Gateway To Tahoe-Sierra Playgrounds

## PRESIDENT WINS BY GREATEST VOTE IN U. S. HISTORY

Truckee Gives President Six To One Majority in Local Ballots

LONDON GETS ONLY 77

Roosevelt Polls Total of 330 Votes in Two Precincts

While the rest of the nation was piling up the greatest landslide of votes ever recorded for a president of these United States, the Truckee precincts were adding their weight by even a greater majority than elsewhere, giving the President 330 votes and Gov. Alf Landon only 56, a majority of six to one.

The country as a whole gave President Roosevelt 523 electoral votes and Landon eight, two states only, Maine and Vermont, holding out for the Kansas governor.

Some reactions were immediately visible. The stock market was thrown into a buying whirl with many issues advancing to new highs for the past five-year term.

Even republicans, the nation over, threw their weight behind the President, proving the fact that the man and not the party, was the choice of the people.

A correspondingly top-heavy majority in the senate and house seemed likely. The democrats seemed certain of obtaining 75 of the 96 seats in the senate and at least 326 in the house with the republicans retaining 86.

In California, President Roosevelt was leading by at least 800,000 votes. Every one of the 58 counties favored the President with a substantial margin.

Only three of the 23 amendments proposed for the state constitution were approved. They were No. 15, for relief of assessment districts; No. 17, method of simplifying personal property tax collections and No. 23, new charter adoption procedure.

Proposition No. 22, the chain store tax measure, was defeated 1,124,019 to 907,691, on the face of incomplete returns. Both No. 3 and No. 9, the liquor control bills were defeated by large majorities, while No. 4, the tideland oil proposition was close, the count being 730,356 to 873,066.

Tahoe City's count on the presidential contest, gave President Roosevelt 113 to Landon's 42. One vote was cast for Lemke.

## Campbell Installs New Battery Charger Here

Campbell's Associated Station has installed a new Allan battery charger one of the latest and most efficient obtainable, offering Truckee car owners a 24-hour battery service. Testing is one of the services offered at the station.

## LIONS HEAR TALK ON ART IN CHINA

Mrs. John Matzka of Willows chairman of the state committee on art, addressed the Truckee Den of Lions Wednesday evening at the regular meeting of the organization at the California cafe. She discussed art in China. Thursday Mrs. Matzka is scheduled to address the local Wyethia club.

## Chamber of Commerce to Meet at California Cafe

Further winter sports discussions featured the meeting of the local chamber of commerce held this week at Basio's. President C. B. White presided. The next meeting will be held at the California restaurant on Monday.

### TRAILER OVERTURNS

One of the big Lang truck trailers overturned on the highway near here this week. Several hundred gallons of gasoline were lost along the highway. The driver was unhurt.

### IT'S ALL OVER NOW

Elections are through, now, and the nation is ready to settle down once more to a sane and orderly life.

Most everyone knew it anyway, but for those who did not, let it be understood that much of the regrettable emotionalism of the campaign, with all its scares, its dire predictions and its half truths about our social and economic problems, was stirred up, on both sides, for the sole purpose of winning the election. America is not going to crack up.

It is unfortunate that there must be all this hysteria about presidential campaigns. It is too bad that democracy shall fall to its lowest ebb at election time, reverting to emotion rather than intellectual analysis and calm appraisal of facts. But it has always been so, and perhaps so long as human nature remains what it is, the hysteria is inevitable. In any case this is one of the inherent shortcomings of democracy, it is not enough to make democracy any less desirable when compared to any other system you might name.

Today the important thing is that our many involved and bewildering problems still remain before us, crying for orderly solution. The election was not the goal itself, and its result has not removed the problems. And what you and your neighbors think about them will determine, eventually, the solutions to be applied.

This is no time for looking backward. Let us add our weight to the great push forward that will someday bring this nation to a steady, lasting prosperity beyond anything we have heretofore known.

### OUR NEW SCHOOL

Built at a cost of upwards of \$36,000, Truckee's new Grammar school now stands as a monument to the progress of the community. It exemplifies the trend of the times and the development of our town.

There are those, we understand, who objected strenuously to the erection of the new school, declaring that the old one was "good enough for our fathers and it's good enough for us." It may be true that the old structure was still in good repair, it might have withstood the ravages of many more winters and maybe it should have never been condemned — we cannot judge as we never saw the old building. But this we do know, Truckee is deserving of the new building and is still in need of additional replacements.

### A WORTHY DEVELOPMENT

It is with a great deal of satisfaction that we report speedy progress on Truckee's new ice palace.

For a time this fall it appeared that the project, started under a WPA project and subsequently suspended for no good reason, was doomed to follow in the way of several similar enterprises and revert to pile of stone and wasted materials and labor.

Leaders of the community, however, are progressive enough to see what the completion of the job means to Truckee, and with something like \$2000 available for the development and promotion of winter sports, they decided to concentrate on the ice palace, spending as much as possible to further the construction. This was a wise step.

It will naturally be impossible to complete the task with the meager funds available, but it will provide this favorite winter sports region with a good skating rink, even though it will be an open-air affair. Then as more money becomes available additions and improvements can be continued and before many seasons, even without the aid of the WPA Truckee will have an ice palace second to none in the west.

### STILL NO DISASTER

This was to have been the day of the great disaster.

Both major parties prophesized that within 48 hours after the election unless so and so was elected, the country would be in the throws of a great calamity.

Thus far, we have failed to notice any material change in the upward trend on which the country has been riding for the past several months and unless we are terribly mistaken, there will be none.

### AMERICAN EDUCATION WEEK

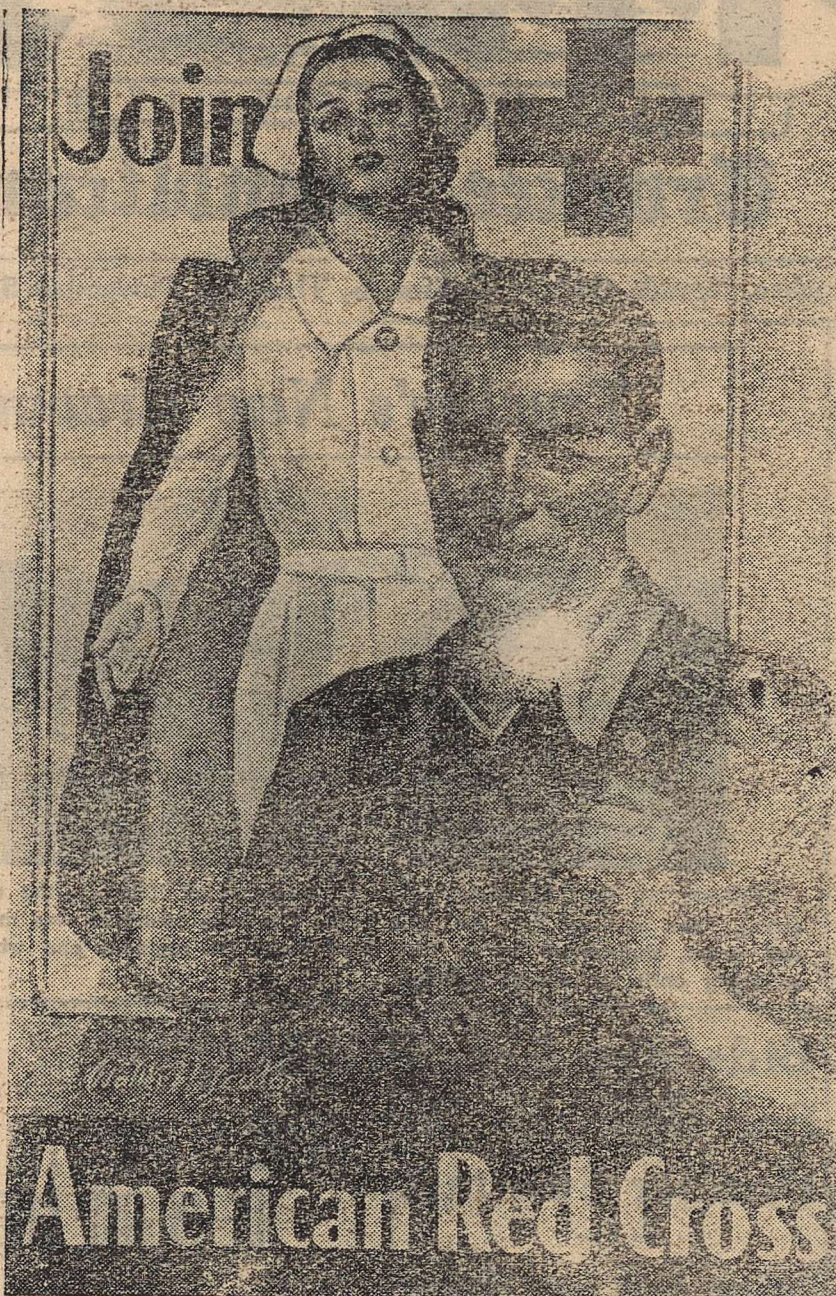

On the work of the school, more than any other factor in our national life, rests the future of American democracy.

All the congresses and courts, all the presidents and statesmen, all the panaceas and politicians, have less to do with it than the teachers in the school rooms, where the mind and character of youth is shaped.

American Education Week begins next Monday. For six brief days, those of us who hustle on through the year all too unaware of this molding of the future, will have an opportunity to become aware, to visit the schools and see and hear of their progress.

Visit your schools here in Truckee next week! After seeing all the hope and enthusiasm of the youngsters and all that's being done for and with them, you'll come away with reawakened faith in the future of America, and, like as not, with new faith in yourself as well.

## The 1936 Red Cross Poster

THIS year's American Red Cross poster emphasizes the theme that the Red Cross is "of, by and for the people." Four million men and women are members of the Red Cross and through their membership dues they support its activities. Only in time of major disaster when needs for relief reach great proportions does the Red Cross ask the public for disaster relief funds. The membership funds represent the financial support of the Red Cross, and in turn this money is used to carry the Red Cross work of mercy to distressed citizens. Membership is open to all, without regard to race, color or creed, and the Red Cross services are given to all, without restriction.

### Politically Speaking

By GEORGE E. HELMER  
(United Press Staff Correspondent)

SACRAMENTO, Nov. 5.—(UP)—Tourists and hoboes visiting California this winter probably will not be stopped at the border by uniformed officers placed there in an attempt to stem the tide of vagrants heading for Los Angeles.

Authorities of Los Angeles have announced they will concentrate their "bum blockade" at the borders of their own county this year, instead of extending their activities to all important points of entrance to the state.

Since the Los Angeles police blockade will not be reestablished, there will be nothing but the quarantine stations and highway patrol registration offices for visitors to huddle. The state will make no attempt to sift indigents from other classes of tourists.

The prediction made several months ago that Dr. Walter F. Dexter, executive secretary to Gov. Frank F. Merriam, would be named state superintendent of public instruction is approaching the actual appointment stage.

Sources close to the governor insist that the appointment is "in the bag" and that Dr. Dexter will change his office location from the governor's suite to the state library and courts building about February 1, when Vierling Kersey becomes superintendent of schools in Los Angeles at a much higher salary.

Dr. Dexter, the quiet, widely educated little man who helps prepare the governor's speeches, handles proclamations and other official duties requiring a thorough knowledge of good English, literature and history, was president of Whittier college for 10 years; never knew much about politics until he became one of the governor's secretaries.

"The governor hasn't said anything to me about it," he said. "That would be a very pleasant position."

Dr. Dexter's nickname is "Fritz" but no one around the capitol calls him that although it is rumored he likes it very much.

If any Oklahoma state officials happen to hear about this, they may become a bit indignant.

During a meeting of the governor's cabinet, Sam H. Cohn, deputy director of education, made a report on educational conditions and costs and the growth of adult education. Ray Ingals, director of motor vehicles, asked:

"How about all those people coming in from Oklahoma? Don't they add to the educational problems of California?"

"Yes, indeed they do," replied Cohn. "We have had to provide spe-

### Egged

Esco Richardson, Communist candidate for Congress, after he was ejected forcibly from a radio station at El Centro, Cal., and pelted with eggs and vegetables.

### Nevada Delegation Visits Local Lodge

The meeting of the Naomi Chapter, No. 2, of Rebekah Lodge, held last week, was an unexpectedly large and enjoyable one owing to the fact that the members headed by the grand patriarch of Nevada, who had planned to attend the encampment here, from Fallon, Nevada City, Reno and Michigan, visited the group which was accepting August Prouser as a candidate and Mrs. Mary Wilson, who had obtained a transfer from Westwood, Calif.

The motif characteristic of Halloween was used in the decorative scheme, with the refreshments in harmony.

### PONY EXPRESS FETED AT CAPITAL MEET

SACRAMENTO, Nov. 5.—(UP)—Establishment of telegraph communication between the east and the pioneer west 75 years ago was commemorated with special exercises at the old Pony Express headquarters here last week.

The building, one of the two remaining structures which served as depots for the Pony Express, has been turned over to the state for use as a museum. The other building is located at Folsom.

cial schools to take care of them; to teach many of them to read and write. It's difficult for some of them to learn, because they even talk a different language and can't understand our teachers."

### Christian Science

"Adam and Fallen Man" will be the subject of the Lesson-Sermon Sunday, November 8 in all Churches of Christ, Scientist, branches of the Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The Golden Text will be: "They which are the children of the flesh, these are not the children of God" (Romans 9: 8). Other Bible citations will include: "For to be carnally minded is death; but to be spiritually minded is life and peace. Because the carnal mind is enmity against God: for it is not subject to the law of God, neither indeed can be. So then they that are in the flesh cannot please God. But ye are not in the flesh but in the spirit, if so be that the spirit of God dwell in you" (Romans 8: 6-9 to first period).

### NEW UNEMPLOYMENT RELIEF SETUP NOW BEING CONSIDERED

SACRAMENTO, Nov. 5.—(UP)—Legislative action to provide a new setup in unemployment relief appeared assured here after Gov. Frank F. Merriam indicated his administration was working on a tentative proposal.

The relief situation from the standpoint of administration was called to the attention of the governor and his cabinet by C. E. Greir, San Bernardino county supervisor who is head of the state relief coordination committee.

Grier said the plan sponsored by his organization would be presented to the 1937 legislature for action.

This plan, he said, would eliminate the dual system of relief administration, provide for the home rule of relief matters by the several counties eliminate the state relief administration but vest supervisory powers in the state department of social welfare and specify that the counties shall participate to a reasonable degree, in financing relief costs.

Grier said his group was proceeding on the theory that relief must be considered a "continuing social problem." The governor named Arlin E. Stockburger, finance director, and Director Florence Turner of the social welfare department, to hold additional conferences with the supervisors.

# TAHOE REGION NEWS

By Swanee

## PRUSSOS BUILDING NEW RESORT ON PALM SPRINGS SITE

TAHOE CITY, Oct. 5.—Mr and Mrs. Everett Prusso of Tahoe, the owners and managers of fashionable Prusso's Inn and gardens on Ward Creek in the Sunnyside district, have just announced the purchase of two and a half acres of the Clancy estate located on the main highway known as North Palm Springs drive on the road from Los Angeles to Palm Springs.

Here in a picturesque setting in the purple shadows of lofty Mt. San Jacinto, which rises abruptly from the level tableland to an elevation of 11,000 feet, they will erect a resort to be known as Prusso's Desert Inn. The same high standards of distinctive food and service and the same efficient organization which made their season at Tahoe a pronounced success, will be maintained at Palm Springs.

The new resort, including the grounds, buildings, gardens, parking spaces and furnishings will represent an investment of approximately \$32,000. Present plans call for the formal opening on December 19th, to be followed by a gala New Year eve party on December 31.

The many friends of the Prussos will join in wishing them a grand season and deserved prosperity.

## Subfreezing Weather Hits Lake Tahoe Area

TAHOE CITY, Nov. 5.—Subfreezing temperatures have been the regular occurrence during the past week with the low for the winter of 14 degrees Monday morning at Tahoe City and 15 degrees for Tuesday.

Nearly all the smaller lakes in the Tahoe region are already frozen over and flowers which bloomed profusely during the unusually mild autumn season have finally succumbed to Jack Frost's withering breath. Beautiful sunny weather prevailed at Tahoe on election day despite inclement weather of other areas.

This is a bit unusual as voters in other years have had to wade snow drifts, often with a storm in progress, to reach the polling place.

## Tahoe . . . . Ramblings . . . .

(By SWANEE)

The Ed Wagners of Lake Forest sent a card from Deming, New Mexico, and report continued fine weather, good roads and beautiful scenery.

Mrs. Edna Johnson of Piedmont, daughter of Mr. and Mrs. V. S. McClatchy of Sacramento, well known in Tahoe wherethey have a summer home at Sunnyside district died last week following a long illness in Merritt hospital in Oakland. Her two children, Stuart and Barbara Johnson spent the summer at the McClatchy home here. The funeral services were held in Piedmont.

Mr and Mrs. Everett Prusso and sons, Donnie, Ray and Sherwood, were the guests at a farewell party at the Charles Swanson home in Sunnyside Monday evening on the eve of their departure for Palm Springs. Also invited were Mr and Mrs. Joe Duffee and daughter, Eunice.

Axel Almquist, well known Tahoe resident and caretaker at the Lora Knight's beautiful Emerald Bay estate for many years, is reported gravely ill in an Oakland hospital. Meager reports hold out little hope for his recovery.

A number of new chickenpox victims are confined to their beds this week, the patients including Miss Lillian Vernon, Dick Hinkle and Pete Vanni. Others ill with sore throats and other complications as a result of the sub-freezing temperatures of the past week include Dean Hull, Jimmie Swanson and Mrs. Joe Duffee.

Mr. and Mrs. Matt Green who have occupied the Harden house in Lake Forest left for Sacramento after voting Tuesday morning.

Mr. and Mrs. Henry Soll of Pine Lodge left early Sunday morning for San Francisco to visit at the

## HALLOWE'EN PARTY NETS SCHOOL \$30 AT TAHOE CITY

TAHOE CITY, Nov. 5.—The Halloween masquerade party given by the pupils of the Tahoe grammar school Saturday was well attended despite the cold weather accompanied by a light snowfall.

Dancing, cards and games furnished entertainment for the evening and much interest was manifest in the selection of Marilyn Hinkle and Joe Pomin for first prizes for their Spanish costumes, which were both colorful and authentic in detail.

Mary Jane Soll as May West and David Renner, dressed in a girl's red outfit, provoked a great deal of merriment and took prizes for the funniest characters.

Refreshments were served at the close of the evening which netted the group \$30.

beside of Mr. Soll's brother, Chris Soll, who is confined to Mill Memorial hospital following an operation several weeks ago. They returned home Monday night.

Duck season opened at the lake on Sunday last and although many ambitious hunters, despite freezing mountains, arose in the wee small hours to try their luck, we have failed as yet to hear of any being successful. A few ducks have been sighted, but not on dining tables.

Mr. and Mrs. H. H. Hull of Tahoe, accompanied by their son-in-law and daughter, Mr. and Mrs. George Johnson of San Francisco, left by motor Sunday for a three weeks' vacation trip to Wichita, Kansas, where they will visit relatives and friends.

Miss Agnes Soll is in charge of the Tahoe switchboard during Mrs. Hull's absence.

The car of Victor Weldmar, tree

surgeon of Brookway, which was to have been sold at auction in Tahoe, was released to him last week after he settled all claims against it.

Mrs. Annie Parks and children of San Mateo are occupying their new home in Tahoe Park for a week or two.

Mrs. Monett Hamilton and son, Mrs. Gertrude Broach and Mrs. Charles Swanson and son enjoyed a shopping tour in Reno Saturday. Others who spent the day in "the biggest little city in the world" were Mr. and Mrs. A. M. Henry who also witnessed the football game there.

The Richard Shainwalds of San

Francisco were recent visitors at Tahoe where they inspected their remodeled summer home in the Sunnyside district.

Mrs. Henry D. Worden of Ward Creek, president of the Tahoe Women's club, presided in that capacity at her first meeting Thursday last. Mrs. Ida Simmonds is the new vice president, Mrs. Otto Darlin, the former president, is now secretary, Mrs. Betty Stevens, treasurer and Mrs. C. O. Valentine and Mrs. Joe Duffee, directors. Cards were enjoyed and refreshments served late in the afternoon.

All members of the Lake Tahoe

Ski club are urged to be present at the next regular meeting of the group Friday night at the Women's clubhouse in town. Election of new officers is slated to take place and numerous interesting plans for the coming season will be discussed.

On Monday there was an impromptu luncheon given by Mrs. Marie Henry in honor of Hulda Nielsen.

Mrs. Margaret Dashiell of Auburn has replaced Mrs. A. M. Steinman of Wheatland who was substituting at the Tahoe grammar school. Mrs. Dashiell will retain her position as long as the attendance stays above normal.

## COUNTY TAXES FOR 1936

The taxes on all personal property secured by real property and one-half of the taxes on all real property for the fiscal year beginning July 1, 1936, and ending June 30 1937, will be due and payable on the 2nd day of November, 1936, and will be delinquent on December 5, 1936, at five o'clock p. m., and unless paid prior thereto eight per cent will be added to the amount thereof, and if said one-half be not paid before the April 20, 1937, at five o'clock p. m. an additional three per cent will be added thereto. The remaining one-half of the taxes on all real property will be payable on and after the January 20, 1936, and will be delinquent on the April 20, 1937, at five o'clock p. m. and unless paid prior thereto three per cent will be added to the amount thereof, together with a fur-

## HOBART MILLS

L. Souhereau accompanied by Alex Robertson and J. B. Clark were business visitors in Nevada City last Thursday.

T. K. Oliver went to Berkeley on Wednesday where he spent the week end visiting his family. He returned Monday.

Mrs. E. K. Wilson received a telegram Friday morning announcing

her charge of fifty cents for each lot, piece or parcel of land separately assessed and for each assessment of personal property.

All taxes may be paid at the time the first installment as herein provided is due and payable.

Taxes are payable at the County Court House, Nevada City, California. FRANK STEEL, County Tax Collector. County Court House, Nevada City, California. 029-N5 12

the birth of a daughter to Mr. and Mrs. Elwood Saltzen at Sacramento on October 30. Mrs. Saltzen is a daughter of Mr. and Mrs. Wilson and her husband resided in Hobart Mills last summer.

Mrs. Irma Atkins entertained the children of Hobart Mills at two gatherings at the schoolhouse last Friday. She entertained the smaller children from 3 to 5 o'clock when the youngsters enjoyed making festive caps for themselves and played games. Refreshments were served. During the evening the older group were guests of Mrs. Atkins and the evening's activities started with a treasure hunt and other Halloween games and pranks.

Mrs. E. K. Wilson entertained a group of her friends at her home on Wednesday afternoon, honoring Mrs. Roy Gates who is leaving to make her home elsewhere. The afternoon was spent playing bridge and high awards went to Mrs. P. W. Lazier and Mrs. H. G. Seibold. Decorations and refreshments were of a Halloween nature and Mrs. Gates was presented with a gift from the club. The following ladies were present: Mesdames E. C. Murray, P. W. Lazier, A. D. Murray, H. G. Seibold, Frank Wilson, George Lesselyong, Gates and the hostess.

Mr. and Mrs. Roy Gates left on Tuesday morning for Sacramento and San Jose where they will visit relatives before going to Klamath Falls, where they will also visit relatives.

Mr. and Mrs. Frank Seymour of Sparks were week end guests of Mr. and Mrs. H. G. Seibold.

Cecil Selburn was a visitor at Carson City Friday.

Mr. and Mrs. D. Lacy returned home from a visit in Sacramento.

Mr. and Mrs. T. L. Bonner of Truckee visited in town Sunday.

Miss Margaret Canady and Bernard Herman were issued marriage license in Reno Saturday and were married the same evening by Jus-

## TRUCKEE BRIDE-TO-BE IS FETED AT LOCAL AFFAIR; WEDDING DATE IS SOON

Miss Ida Costa of Truckee and her fiancé, Thomas Rogers of Newcastle, were guests of honor at a party given at the home of Mr. and Mrs. O. H. Sanders Saturday evening.

The affair, which was attended by 60 friends of the engaged couple, was arranged in the Halloween motif and a shower of miscellaneous gifts were presented to the bride-to-be.

Dancing was enjoyed until a late hour when refreshments indicative of the chosen scheme were served.

The date of the nuptials was not revealed although it is believed they will take place during the early part of the winter season.

## Society will Meet—

Members of the Methodist Ladies Aid society will meet in the church building Thursday at 2 o'clock. Preparations will progress for the Christmas gift sale which the ladies plan to sponsor in December.

Members of the Peace Cunningham at Sparks. Both are well known locally and will continue to make their home in Hobart Mills. Mrs. Herman is the youngest daughter of Mr. and Mrs. E. W. Canady and attended the Truckee high school.

Mr. and Mrs. Leroy Wilson visited friends in Reno Sunday.

Mr. and Mrs. G. D. Oliver accompanied by their son, T. K. Oliver, arrived in town Monday, coming up to vote and visit Mrs. Oliver's brother, Charles Keyser.

Mr. and Mrs. Erle Martin spent the week end in Sacramento where they visited relatives.

M. and Mrs. E. K. Wilson spent the week end in Sacramento and Dixon where they visited their daughter, Mrs. Elwood Saltzen.

Mr. and Mrs. Earl Clark came up from Reno Tuesday to vote and visit at the J. B. Clark home.

## District Meeting Of Parent Teachers is Held in Placerville

The third district meeting of the Parent Teachers association held at Placerville Wednesday, October 28 and presided over by Mrs. George McCormack, who is scheduled to speak here tomorrow night, was an interesting and educational one, according to the bevy of local women who were in attendance.

Mrs. P. D. Bevil, Fourth vice president, spoke on the amendments which were on the ballots and Mrs. A. Wilson Robb, state chairman of humane education, talked on the subject of destructive toys and games for children. She cited that one institution alone housed 300 children who had been blinded by the use of harmful slingshots, toy or real guns or by rocks in the hands of playmates. She stressed the point that animal pets were often abused thoughtlessly by young people and urged the parents to see that their toys were of the constructive and not the destructive type as well as to teach the children kindness to animals.

## Here from Newcastle—

Thomas Rogers of Newcastle was a week end guest at the home of Mrs. S. Costa.

## Mrs. Keenan Improved—

Mrs. Glenn Keenan who was taken seriously ill while in Reno recently and rushed to a hospital there is on the road to recovery. It has been arranged to bring her home some time next week if she continues to gain.

### New Officers Seated By High School Under Revised Constitution

A dozen new officers were installed under the new constitution adopted at the Meadow Lake Union high school last week.

They are as follows: Frank Giovannoni, first vice president; August Sassarini, second vice president; Robert Bowers, treasurer, and Lilio Guldi, sergeant-at-arms. On the newly

### NORDEN NEWS

(By C. W. KRAMER)

After several weeks visiting her son, Oakes Hensley and family, Mrs. M. C. Hensley and daughter, Alice, have departed for their home in Greenville, Tennessee.

The Guy M. Davis family of Soda Springs are now making their home at Tunnel Six as are the Edgar Flandt family, formerly located east of Applegate.

August Olson, formerly of Eder, is now making his headquarters at

formed student body council, over which Vice President Giovannoni presides, are Oswald Schmidt and August Sassarini of the senior class; Robert Bowers and Douglas Barrett of the junior class; Tina Gini and Thessa Gordon of the sophomores, and Ben Barrow and Bill Otis of the freshmen.

Last week the sophomore class adopted a class constitution, the only class to take such action in the local school. On the framing committee were Mary Pierce, Adolf Schmidt and Antoinette Sala.

### City News In Brief

#### Takes Vacation—

Miss Menia Moretta, associated with the Truckee branch of the Bank of America, is enjoying a two-weeks' vacation.

#### Mr. Follett Here—

M. Follett of Madera, formerly associated with the local bank and well known in this community, is here temporarily to relieve Miss Monia Moretta who is vacationing.

#### Nevada City Visitors—

Mr. and Mrs. Ben Tonini were visitors in Nevada City where they attended business and visited with friends this week.

#### Blanchi goes to Winters—

A. Blanchi, local watch maker who spends his summers in Truckee left Sunday night for Winters. According to present plans he may spend some time in San Diego and San Francisco, but will open his shop in Winters according to his usual custom.

#### Sacramento Visitor—

Mr. and Mrs. Duane Sanders of Sacramento were the week end guests at the home of Mr. and Mrs. O. H. Sanders.

#### Attend Placerville Meet—

Mrs. V. V. Gilman was a member of the party from Truckee which attended the Congress of Parents and Teachers in Placerville last week.

### VACANCIES ARE OPEN IN U. S. MARINE CORPS

The United States Marine Corps is accepting a limited number of desirable applicants to fill vacancies in the Pacific fleet, far flung foreign posts and in the United States.

Postmaster E. C. Bavie has received a supply of interesting literature for young men in the community, who desire information about this colorful branch of the military service.

Application blanks, or additional information, may be obtained by calling at or writing the Marine Corps Recruiting Station, Room 46, Federal Building, San Francisco.

### TAHOE CITY PROPERTY PURCHASED BY RUPLEY

Fred A. Rupley, an Auburn automobile dealer, has purchased a 365-foot frontage in Tahoe City formerly owned by Jack T. Mathews, one-time manager of Tahoe Tavern.

The property, known as the Circle Cottage Court, was bought at a foreclosure sale.

Woodland, while Stanley T. Callister is taking in the scenery near Lakeview, Oregon.

J. Gordon Cran of B. & B. 113 at Troy has resumed his activities with his fellow workmen after several weeks spent in the S. P. hospital at San Francisco. He is much improved in health.

After a 90-day leave of absence, Han Halderson of Dutch Flat has resumed his duties as traveling carpenter for this district on the S. P.

### EXTRA CAUTION URGED FOR MOTORISTS DURING APPROACHING MONTHS

Extra caution in checking over car equipment to meet extreme demands placed upon motor vehicles during the next four or five months by inclement weather and slippery highway was urged today by Chief Raymond Cato of the California Highway Patrol.

In the interest of greater safety on the highways in the interest of both pedestrians and drivers, the state patrol head made the following suggestions:

See that the windshield wiper is

in good condition.  
Check over all tires and replace those badly worn.  
Have headlights properly adjusted.  
Keep windshield clean.  
Have brakes adjusted and relined.  
Be sure stop lights are working.  
Be especially careful at intersections.  
Ascertain correct way to stop car on slippery streets to avoid skidding.  
Be sure that window is open in car so that proper hand signal can be given.  
Avoid running on slippery rails.

PATRONIZE OUR ADVERTISERS

State of California  
Department of Public Works  
DIVISION OF HIGHWAYS

### NOTICE TO CONTRACTORS

SEALED PROPOSALS will be received at the office of the State Highway Engineer, Public Works Building, Sacramento, California, until 2 o'clock p. m. on November 18, 1936, at which time they will be publicly opened and read, for construction in accordance with the specifications therefor, to which special reference is made, of portions of State Highway, as follows:

Nevada and Placer Counties, between 1/2 mile west of Soda Springs and Donner Summit (111-Nev, Pla-37-B, C, C.) about three and seven-tenths (3.7) miles in length to be graded and paved with Portland cement concrete, and a parking area to be constructed near Donner Summit Bridge.

In accordance with the provisions of Chapter 397, Statutes of 1931, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done as follows:

Classification	Rate per hour
Tractor driver (50 h. p. and over)	\$1.00
Roller operator (finishing high type pavement, including subgrade for same)	1.00

### UNSKILLED LABOR

Laborer	0.60
Teamster	0.60
Bridge laborer	0.69
Handyman (roustabout)	0.60
Watchman	0.60
Guard	0.60
Flagman	0.60

Positions not listed above will be allocated in accordance with the definitions which appear in the special provisions, as interpreted in the light of this classification.

The minimum wage paid to all skilled labor, for which rates are not shown above, shall not be less than \$1.00 per hour.

The minimum wage paid to all intermediate labor, for which the rates are not shown above, shall be not less than 68 cents per hour.

The minimum wage paid to all unskilled labor for which rates are not shown above, shall be not less than 60 cents per hour.

Overtime — double the above rates.

Sundays and holidays (except watchmen, guards and flagmen) — double the above rates.

Proposal forms will be issued only to those Contractors who have furnished a verified statement of experience and financial condition in accordance with the provisions of the State Contract Act, and whose statements so furnished are satisfactory to the Department of Public Works.

No bid will be accepted from a Contractor who has not been licensed in accordance with the provisions of Chapter 791, Statutes of 1929, as amended, or to whom a proposal form has not been issued by the Department of Public Works.

The attention of bidders is directed to the fact that the work herein proposed to be done will be financed in whole or in part with Federal funds and that therefore all of the applicable Federal statutes, rules and regulations will apply to such work.

The attention of bidders is particularly directed to the provisions of Section 7, article (a), subsection (5), of the Standard Specifications, regarding the use of domestic materials; and also to the provisions of Section 8, articles (a) and (b), of the Standard Specifications, regarding subcontracting and assignment of contract, respectively.

Plans may be seen, and forms of proposals, bonds, contract and specifications may be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California, and they may be seen at the offices of the District Engineers at Los Angeles and San Francisco, at the office of the District Engineer of the district in which the work is situated, and at the office of the Associated General Contractors in San Francisco and in Los Angeles. The District Engineers' offices are located at Eureka, Redding, Marysville, Bishop, Stockton and San Diego.

A representative from the district office will be available to accompany prospective bidders for an inspection of the work herein contemplated and Contractors are urged to investigate the location, character and quantity of the work to be done, with a representative of the Division of Highways. It is requested that arrangements for joint field inspection be made as far in advance as possible. Detailed information concerning the proposed work may be obtained from the district office.

No bids will be received unless it is made on a blank form furnished by the State Highway Engineer. The special attention of prospective bidders is called to the "Proposal Requirements and Conditions" annexed to the blank form of proposal, for full directions as to bidding, etc.

The Department of Public Works reserves the right to reject any or all bids.
